## Re: Public Records Act Requests Received on January 30, 2019

To Whom It May Concern:

The City of Fairfield continues to search for and compile the accurate records that are responsive to your request. As of the date of this message, the City has located responsive records, but has confirmed that the numbers indicated by those records are inflated in some cases due to inaccurate reporting or mischaracterized labeling. As a result, the City must manually verify the information in these records prior to its disclosure to any party. This process is ongoing and could take up to several weeks, and possibly months. You will be notified as the accurate information becomes available.

Your cooperation with the City in the process is appreciated. Should you have any questions, please contact me at (707) 428-7707 or by email at [dshepherd@fairfield.ca.gov](mailto:dshepherd@fairfield.ca.gov).

Sincerely,

**Dawn Shepherd**
